DOC-0355-12

**IMPORTANT – READ BEFORE INSTALLING OR OPERATING THIS PRODUCT**

**LICENSEE (“LICENSEE”) AGREES TO BE BOUND BY THE TERMS OF THIS AGREEMENT BY INSTALLING, HAVING INSTALLED, COPYING, OR OTHERWISE USING THE PRODUCT. IF LICENSEE DOES NOT AGREE, DO NOT INSTALL OR USE THE PRODUCT.**

1. Scope. This End User License Agreement (“License”) applies to the software product (“Software”) Licensee has licensed from F5. All references to “F5” in this License will be deemed to be a reference to the applicable F5 entity as follows: (i) if Licensee’s primary place of business is located in the European Economic Area, the Middle East or Africa (“EMEA”), the F5 entity is F5 Networks Ltd.; (ii) if Licensee’s primary place of business is located in the Asia-Pacific region (“APAC”), the F5 entity is F5 Networks Singapore Pte Ltd; and (iii) if Licensee’s primary place of business is located in a region outside of EMEA or APAC, the F5 entity is F5 Networks, Inc. Certain Software is licensed for use in conjunction with F5 hardware which together with the Software will be referenced as the “Product.” This License is a legal agreement between F5 and the single entity (“Licensee”) that has acquired the Software from F5 under these terms and conditions.

2. License Grant. Subject to the terms of this License, F5 grants to Licensee a non-exclusive, non-transferable license to use the Software during the term for which Licensee has paid the required license fees in object code form for Licensee’s internal business purposes. Other than as specifically described herein, no right or license is granted to any of F5’s trademarks, patents, copyrights, or other intellectual property rights and F5 retains all rights not granted herein. The Software incorporates certain third party software, which is used subject to licenses from the respective owners.

Licensee understands that by using the Product, Licensee consents and agrees to the collection and use of certain information about Licensee’s Product, including but not limited to hardware serial number, appliance part number, disk configuration, memory amount, as well as periodic updates for software, databases, etc. Licensee further consents and agrees that the Product may collect, use, transmit to F5, process and maintain information related to the Product for purposes of providing the Software, and any features therein. Information collected by the Product and transmitted to F5 may also include technical or diagnostic information related to Licensee’s use that may be used by F5 to support, improve and enhance F5’s products and services. Licensee may opt out of the collection and use of such information by configuring the Product to disable these features.

3. Restrictions.

(a) The Software, documentation and the associated copyrights and other intellectual property rights are owned by F5 or its licensors and are protected by law and international treaties. Licensee may not copy or translate the documentation provided with the Software or available online at <http://askf5.com> (“Documentation”) without F5’s prior, written consent. Licensee may install, use, access, display and run the Software only in the manner in which it has been licensed as indicated herein and in the applicable purchase order, quote or the license file for such Product or Software, including but not limited to any restrictions on number of protected applications, number or type of licensed devices, number of authorized copies or instances, number of users, bandwidth, non-production use, database or location restrictions. Licensee further agrees that it will not defeat, circumvent or disable any copy protection mechanism or mechanism in the Software used to limit license duration or access to non-licensed functionality or capacity, and that any such attempt will be a material breach of this Agreement. F5 reserves the right to audit Licensee’s use of the Software or authorize others to conduct such an audit on its behalf and to disable any application or functionality that has not been specifically licensed, in addition to any other rights and remedies available to F5.

(b) For Software modules purchased in conjunction with a F5 device, the Software is not transferable to other F5 devices or third party hardware. For Software provided in stand-alone form (not embedded in a F5 hardware Product), Licensee may only install and use the Software in object code form on the server(s) for which Licensee has a valid license key issued to it by F5 or its authorized sub-licensor and only for the duration of the validity of such license key. The use of any hardware or software to pool resources or reduce the number of devices that directly access or use the Software (sometimes referred to as ‘virtualization’) will not reduce the number of license keys required. Licensee must have a separate license key for each instance of the

Software. F5 may restrict Licensee's use of the Software, by at least one of the following locking methods: (i) an instance identifier; (ii) hypervisor in use; (iii) a bridge; and/or (iv) Media Access Control (MAC) address. Licensee agrees that it will not attempt to circumvent any of the foregoing license key restrictions or to have others do so on its behalf.

(c) Certain portions of the Software include third party software modules, which may include, but are not limited to, MySQL licensed from MySQL AB or Java™ licensed from Oracle America, Inc., and are subject to additional limitations imposed by those third parties ("Restricted Third Party Software"). Certain portions of the Software may also include geographical or other data ("Data"). Licensee agrees that it will only use such Restricted Third Party Software or Data in conjunction with the Product and not as standalone software. Licensee will not (i) copy the Restricted Third Party Software or Data onto any public or distributed network; (ii) use the Restricted Third Party Software or Data separately to operate in or as a time-sharing, outsourcing, service bureau, application service provider or managed service provider environment; (iii) use the Restricted Third Party Software or Data as a general server, as a standalone application or with applications other than the Software under this license; (iv) change any proprietary rights notices which appear in the Restricted Third Party Software or Data; or (v) modify the Restricted Third Party Software or Data. The protections given to F5 under this License also apply to the suppliers of this third party software.

(d) Licensee may not copy (except to make one archival copy for backup and disaster recover purposes), modify, sell, sub-license, rent or transfer the Software, Data or any associated Documentation to any third party. Licensee may not disassemble, reverse compile or reverse engineer the Software or any Data incorporated in the Software or encourage others to do so except as required by law for interoperability purposes, and then only after Licensee has given Supplier an opportunity to provide information or software necessary to resolve such interoperability issues.

4. Export Control. F5's standard Product incorporates cryptographic software. Licensee agrees to comply with the Export Administration Act, the Export Control Act, all regulations promulgated under such Acts, and all other US government regulations relating to the export of technical data and equipment and products produced therefrom which are applicable to Licensee. Licensee further agrees not to disclose or transmit to F5 any information that requires that access to such information be limited to US Nationals or personnel based in a certain country or region. In countries other than the US, Licensee agrees to comply with the local regulations regarding importing, exporting or using cryptographic software. Licensee agrees it will not export or re-export the Software to any country, person, or entity subject to U.S. export restrictions. Specifically, Licensee agrees not to export or re-export the Software: (i) to any country to which the U.S. has embargoed or restricted the export of goods or services, or to any national of any such country, wherever located, who intends to transmit or transport the Software back to such country; (ii) to any person or entity who Licensee knows or has reason to know will utilize the Software or portion thereof in the design, development or production of nuclear, chemical or biological weapons; or (iii) to any person or entity who has been prohibited from participating in U.S. export transactions by any federal agency of the U.S. government, including but not limited to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce's Table of Denial Orders. By installing or using the Software, Licensee represents and warrants that it is not located in, under control of, or a national or resident of any such country or on any such list.

5. Limited Warranty. F5 warrants that for a period of 90 days from the date of shipment: (i) the media on which the Software is furnished will be free of defects in materials and workmanship under normal use; and (ii) the Software substantially conforms to its published specifications. Except for the foregoing, the Software is provided AS IS. In no event does F5 warrant that the Software is error free, that it will operate with any software or hardware other than that provided by F5 or specified in the documentation, or that the Software will satisfy Licensee's own specific requirements.

(a) Remedy. Licensee's exclusive remedy under this limited warranty is that F5, at F5's option, will repair or replace any Software that fails during the warranty period at no cost to Licensee. During the warranty period, F5 will replace defective media or documentation or, at its option, undertake reasonable efforts to modify the Software to correct any substantial non-conformance with the specifications.

(b) Restrictions. The foregoing limited warranties extend only to the original Licensee, and do not apply if the Software (i) has been altered, except by F5 or an F5-designated representative or in accordance with F5 instructions, (ii) has not been installed, operated, repaired, or maintained in accordance with F5's instructions, (iii) has been subjected to abnormal physical or electrical stress, misuse, negligence or accident or (iv) has been

operated outside of the environmental specifications for the Software. F5's limited software warranty does not apply to software corrections or upgrades.

6. Notice to U.S. Government End Users. The Software and Documentation qualify as "commercial items," as that term is defined at Federal Acquisition Regulation ("FAR") (48 C.F.R.) 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in FAR 12.212. Consistent with FAR 12.212 and DoD FAR Supp. 227.7202-1 through 227.7202-4, and notwithstanding any other FAR or other contractual clause to the contrary in any agreement into which this End User License Agreement may be incorporated, Licensee may provide to Government end user or, if this Agreement is direct, Government end user will acquire, the Software and Documentation with only those rights set forth in this End User License Agreement. Use of either the Software or Documentation or both constitutes agreement by the Government that the Software and Documentation are "commercial computer software" and "commercial computer software documentation" and constitutes acceptance of the rights and restrictions herein.

7. DISCLAIMER; LIMITATION OF REMEDY. EXCEPT FOR THE WARRANTIES SPECIFICALLY DESCRIBED HEREIN, F5 AND ITS THIRD PARTY LICENSORS DISCLAIM ANY AND ALL WARRANTIES AND GUARANTEES, EXPRESS, IMPLIED OR OTHERWISE, ARISING, WITH RESPECT TO THE SOFTWARE, DATA, SPECIFICATIONS, OR DOCUMENTATION DELIVERED HEREUNDER, INCLUDING BUT NOT LIMITED TO THE WARRANTY OF MERCHANTABILITY, WARRANTY OF NON-INFRINGEMENT OR TITLE AND THE WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE. F5 MAKES NO WARRANTY CONCERNING THE COMPLETENESS OR ACCURACY OF THE DATA OR INFORMATION OBTAINED OR DERIVED THROUGH THE USE OF THE DATA INCLUDED IN THE SOFTWARE AND THE DATA IS PROVIDED "AS IS". F5 HAS NOT AUTHORIZED ANYONE TO MAKE ANY REPRESENTATIONS OR WARRANTIES OTHER THAN AS PROVIDED ABOVE OR TO OTHERWISE MODIFY THE TERMS OF THIS LICENSE. THE COLLECTIVE LIABILITY OF F5 AND ITS THIRD PARTY LICENSORS UNDER THIS LICENSE FOR PERPETUAL LICENSED SOFTWARE WILL BE LIMITED TO THE AMOUNT PAID FOR THE SOFTWARE. THE COLLECTIVE LIABILITY OF F5 AND ITS THIRD PARTY LICENSORS UNDER THIS LICENSE FOR SOFTWARE OTHER THAN PERPETUAL LICENSED SOFTWARE WILL BE LIMITED TO THE AMOUNT PAID FOR THE SOFTWARE IN THE TWELVE (12) MONTHS PRIOR TO THE EVENT GIVING RISE TO THE CLAIM. F5 AND ITS THIRD PARTY LICENSORS WILL NOT HAVE ANY OBLIGATION OR LIABILITY, WHETHER ARISING IN CONTRACT (INCLUDING WARRANTY), TORT (INCLUDING ACTIVE, PASSIVE OR IMPUTED NEGLIGENCE, STRICT LIABILITY OR PRODUCT LIABILITY) OR OTHERWISE FOR ANY PUNITIVE, EXEMPLARY, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF USE, LOSS OF DATA, BUSINESS INTERRUPTION, LOSS OF REVENUE, LOSS OF BUSINESS OR OTHER FINANCIAL LOSS ARISING OUT OF OR IN CONNECTION WITH THE SOFTWARE OR OTHER GOODS OR SERVICES FURNISHED TO LICENSEE BY F5, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY LAW, F5'S THIRD PARTY LICENSORS WILL NOT HAVE ANY LIABILITY FOR ANY DIRECT DAMAGES OF ANY KIND UNDER THIS LICENSE AGREEMENT. THE LIMITATIONS CONTAINED IN THIS SECTION WILL APPLY NOTWITHSTANDING ANY FAILURE OF AN ESSENTIAL PURPOSE OF ANY LIMITED REMEDY PROVIDED UNDER ANY TERM OF THIS AGREEMENT. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. IN THOSE JURISDICTIONS, SUCH INAPPLICABILITY WILL NOT AFFECT THE REMAINDER OF THE PROVISIONS IN THIS SECTION.

8. Non-Production Use Software. If Licensee purchases an F5 Product or licenses F5 Software designated as "non-production," "non-commercial," "lab" or "development" Product in the applicable purchase order, quote or the license file for such Product or Software ("Non-Production Software"), Licensee may use the Software included with such Product to conduct testing and development in Licensee's non-production environment only and not to manage data traffic or applications in the ordinary course of Licensee's business. Licensee agrees that any use of Non-Production Software in violation of the preceding sentence is a material breach of this Agreement.

9. Evaluation Software. If the Software is "Evaluation Software," notwithstanding any other terms to the contrary in this Agreement, Licensee may use the Software only for its internal demonstration, test or evaluation purposes and not in a production environment. NOTWITHSTANDING ANY TERMS TO THE CONTRARY IN THIS LICENSE, F5 DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, FOR EVALUATION SOFTWARE AND IT IS PROVIDED ON AN "AS IS" BASIS. EVALUATION SOFTWARE HAS A NON-PERPETUAL TIME LIMITED LICENSE THAT WILL "TIME-OUT" AND DISABLE THE SOFTWARE UPON EXPIRATION OF THE

EVALUATION PERIOD. Licensee agrees that it will not attempt to defeat or circumvent any duration mechanism for evaluation Software. Licensee also agrees that it will not use any evaluation Software beyond the prescribed license duration.

10. Software Hosted in a Public Cloud. If the Software is used in a cloud or similar environment, Licensee may only use the Software in object code form in the cloud provider's ("Cloud Provider") environment. Licensee agrees it will not transfer any part of the Software out of the Cloud Provider's environment. Licensee may use multiple instances of the same Software in object code format in the Cloud Provider's environment, paying for each instance separately. IN ADDITION TO THE DISCLAIMERS SET FORTH IN SECTION 7 ABOVE, AND NOTWITHSTANDING ANY TERMS TO THE CONTRARY IN THIS LICENSE OR ANY REPRESENTATIONS OR WARRANTIES OF THE APPLICABLE CLOUD OR SIMILAR ENVIRONMENT, THE SOFTWARE IS PROVIDED "AS IS" AND POSSIBLY WITH FAULTS.

11. Termination. The license granted in Section 2 is effective until terminated and will automatically terminate if Licensee fails to comply with any of the terms and conditions set forth herein. Upon termination, Licensee will destroy the Software and documentation and all copies or portions thereof.

12. Support. Maintenance and support of the Software is not provided under this License and must be purchased separately subject to F5's support policies available at <http://www.f5.com/about/guidelines-policies/> and <http://askf5.com> Where Licensee has purchased maintenance and support for a Product, the term Software under this License will include any published updates, corrections, new releases and new versions of such Software (collectively "Updates"), provided that Licensee is otherwise entitled to access and use such Updates pursuant to the applicable maintenance and support contract. Licensee may only use the Updates on Products for which Licensee is the original end user or other Products which include Software to which Licensee holds a valid license, and only on equipment for which Licensee has purchased maintenance and support. Permissible upgrades for virtual edition licenses are further described at <http://support.f5.com/kb/en-us/solutions/public/15000/600/sol15643.html>.

13. Miscellaneous. This License will be governed and construed in accordance with the following governing law ("Governing Law"), depending on the applicable licensing F5 entity, without regard to its choice of law rules:

Location:	Governing Law:	Venue:
F5 Networks Singapore Pte Ltd	The laws of Singapore	Singapore
F5 Networks Ltd.	The laws of England and Wales	London, England
F5 Networks, Inc.	The laws of the State of Washington	Seattle, Washington

The provisions of the U.N. Convention for the International Sale of Goods and the Uniform Computer Information Transactions Act, in whatever form adopted, will not apply and the parties specifically opt out of the application of such laws. In the event of any dispute arising out of or relating to this Agreement, the parties shall seek to settle the dispute via direct discussions. If a dispute cannot be settled through direct discussions, the parties agree to first endeavor to settle the dispute via voluntary non-binding mediation, before resorting to arbitration. A mediator will be selected by voluntary agreement of both parties, or in the event both parties cannot agree on a mediator, a mediator will be selected in accordance with the rules of JAMS. The mediation shall be held in the applicable venue ("Venue") identified in the chart above. Each party shall bear its own costs and expenses and an equal share of the administrative and other fees associated with the mediation. Any dispute that remains unresolved following mediation shall be settled by arbitration administered by the JAMS in accordance with its Comprehensive Arbitration Rules. The place of arbitration shall be the applicable Venue. Judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The arbitrator(s) shall award to the prevailing party, if any, as determined by the arbitrator(s), all of its costs and fees. "Costs and fees" mean all reasonable pre-award expenses of the arbitration, including the arbitrators' fees, administrative fees, travel expenses, out-of-pocket expenses such as copying and telephone, court costs, witness fees, and attorneys' fees. In rendering the award, the arbitrator(s) shall determine the rights and obligations of the parties according to the substantive and procedural laws of the applicable Governing Law. The foregoing alternative dispute resolution provisions will not apply to claims or actions related to the infringement, misappropriation or violation of F5's intellectual property rights or those of its third party licensors and such actions may be brought in any court of competent jurisdiction. Any provisions found to be unenforceable will not affect the enforceability of the other provisions contained herein, but will instead be replaced with a provision as similar in meaning to the

original as possible. This License constitutes the entire agreement between the parties with regard to its subject matter. No modification will be binding unless in writing and signed by the parties.

14. Acknowledgements. The Software includes Data and software developed by third parties subject to separate licenses. Please reference the applicable Product's Open Source Notices and Software Acknowledgments document available at <http://askf5.com>.

15. Open Source Components. Certain portions of the Software contain open source software ("Open Source Components") that are licensed under the terms of the applicable open source licenses. The terms of the applicable licenses of the Open Source Components take precedence over the terms of this License, only to the extent the terms of this License are not permitted by the applicable licenses of the Open Source Components. A listing of the Open Source Components can be found in the Documentation. To the extent the terms of the applicable licenses of the Open Source Components require F5 to make available to Licensee the corresponding source code and/or modifications (the "Open Source Code"), Licensee may obtain a copy of the applicable Open Source Code from its current location at <https://downloads.f5.com>, or by sending F5 a written request with Licensee name and address to: F5 Networks, Inc., Attn: Office of the CTO, 401 Elliott Ave W, Seattle, WA 98119. All requests should identify: the Open Source Code that Licensee is requesting, the applicable F5 product (and any available version information) Licensee has licensed from F5 in connection with the requested Open Source Code, Licensee's email contact information, and the postal address for delivery of the requested Open Source Code to Licensee. This offer to obtain a copy of the Open Source Code is valid for three years from the date Licensee licensed the Software.
